## QUALITY ENVIRONMENTAL HEALTH AND SAFETY POLICY STATEMENT

**At Green Label Services Limited (GLSL) we are committed to;**

- Adhering to utmost Quality, Environmental Health and Safety practices in relation waste management, transportation, logistics and equipment hire as well as the work environment and employees therein.
- Meeting specified customer requirements and those of other interested parties and ensure continuous customer satisfaction through its commitment to implementation of ISO Standards, Quality Management Standards and Environmental Management Standards.

**To meet the above commitment Green Label Services Limited will;**

- Strive to meet and exceed all applicable QEHS regulations, company standards and voluntary quality initiatives to which we subscribe.
- Ensure that everyone, at all levels of our organization, is accountable and responsible for environmental, health and safety compliance while maintaining the highest quality of services provided.
- Fosters a culture of health and safety, where the health and safety of our employees, contractors, suppliers, partners and customers is one of our most important values.
- Minimize impact on the environment through pollution prevention, reduction of natural resource consumption and emissions, and the reduction and recycling of waste.
- Engage with stakeholders to comply with responsible laws, regulations and innovative programs that provide standards and safeguards for the general public, the workplace, and the environment while providing flexibility to meet the needs of our business.
- Ensure a safe, injury-free workplace by integrating safety into our daily business decisions and processes. Management leads this effort; all employees have individual authority, responsibility and accountability for both their safety and that of the public. Personal protective equipment is mandatory for field operations. We actively promote a healthy lifestyle and encourage employees to proactively manage their personal health.
- Provide a strong and visible leadership commitment to QEHS, and all employees have an obligation to actively participate in promoting an effective QEHS culture.
- Quarterly set and review Quality & HSE performance objectives and targets measure results, assess and continually improve processes and services quality, through the use of an effective management system;
- The Policy will be reviewed on annual basis.
